THE FIRE & ICE TREATMENT

60 MIN/£140

Designed in Beverly Hills, this facial resurfaces the skin, treats problematic skin, reduces fine lines and encourages cellular renewal. Clinically formulated with the purest pharmaceutical grade ingredients and complemented by a unique combination of cosmeceutical serums & cremes.

THE CHAMPAGNE TREATMENT

60 MIN/£100

Designed to revive tired and congested skin, this results driven treatment features a powerful Foaming Enzyme Masque combining papaya & pineapple enzymes with a potent clinical grade level of glycolic acid. This professional treatment produces a luxourius foaming activity while bio active ingrediants exfoliate and deep cleanse the pores.

THE 24K GOLD TREATMENT

60 MIN/£200

Traditionally known as the key to youth and beauty, sheets of the highest grade gold are applied to the face and massaged along with our highly antioxidant serums. Coupled with a unique 24K gold Hydrojelly Mask, this treatment rejuvenates the skin, reduces appearance of fine lines, blemishes and age spots, leaving your skin luminous.

THE YOUTH RENEWAL TREATMENT

60 MIN/£120

This results driven professional Anti Ageing treatment facial features the powerful Foaming Enzyme Masque system and an intense revitalizing masque. These are used in combination with the highest grade pharmaceutical strength anti ageing complexes, serums and hydrators to reveal brighter, hydrated and tighter radiant skin.

THE NATURAL LIFT TREATMENT

60 MIN/£100

This amazing face lifting massage incorporates a unique blend of highly effective massage techniques (Gua Sha and lymphatic draining massage) to act as a natural face lift, helping you feel and look younger.

THE DERMAPLANE/PEEL TREATMENT

60 MIN/ £70

INCL. PEEL 90MINS/£105

Dermaplaning is a safe exfoliation treatment for the epidermis. It also involves the removal of vellus hair which allows the skin to clearer, brighter and smoother. A medical grade TCA 35% peel can also be applied to improve skin quality, rebalance oil production and remodel deeper layers.

THE HARMONY TREATMENT

60 MIN/£100

Developed by a clinical team, this soothing harmony treatment is designed to gently awaken the senses while encouraging the restorative balance of harmony to the skin. Featuring therapeutic bio-nutrients, antioxidants, and penetrating hydrators to restore tone and resilience to the skin.

ADD ON TREATMENTS

THE HYDROFACIAL TREATMENT

30MIN/£120
INCL. DERMAPLANE 90MIN/£180

This 6-step hydradermabrasion treatment targets uneven skin tone, congested pores, excess oil, dehydrated skin, fine line & wrinkles. It exfoliates, controls sebum and boosts collagen production to leave the skin clean, refreshed, brighter and plumper.

THE INTRACEUTICALS OXYGEN TREATMENT

REJUVENATE 60MIN/£150
OPULENCE 60MIN/£150
CLARITY 60MIN/£150
ATOXELENE 60MIN/£180
ADD ON BOOSTERS £50

The Intraceuticals Facial application method utilises Hyperbaric Oxygen to promote the delivery of Intraceuticals professional strength serums to the skin. Intraceuticals developed serums that, when professionally administered in conjunction with oxygen, visibly plumps and hydrates the skin to reduce the appearance of fine lines and wrinkles.

THE HYDROFACIAL OXYGEN TREATMENT

90MIN/£250

THE MICRONEEDLING TREATMENT

30MIN/£195

Microneedling (or Collagen Induction Therapy) assists in the revitalisation of the epidermal integrity to improve the appearance of fine lines and wrinkles. At The Skin Clinic we use the only microneedling pen to have been FDA cleared, passing vigorous laboratory tests to insure that the device is 100% risk free of cross infection.

SkinPen® Precision comfortably creates thousands of micro-injuries in the skin to trigger the body's natural wound healing process which initiates the release of natural growth factors to improve cellular communication, treating acne scars, wrinkles and lines.

SKINTHETIQUE WORKOUT

30MIN/£50

The workout for your face has come to southport! A 30 minute intensive, muscle sculpting, facial workout that stimulates and activates over 40 muscles of the face.

SKINTHETIQUE ELECTRICAL WORKOUT

40MIN/£80

An amped up version of the workout including 10 minutes with our electroporation and microcurrent devices to stimulate muscles, contour cheekbones and restore skin's elasticity.

SKINTHETIQUE SKIN FUSION

60MIN/£200

By combining the sculpting magic of an electrical workout with a potent cocktail of vitamins, peptides and acids blasted onto the skin via our new Skin Fusion, you'll experience a deep clean skin cocktail + a vitamin shot that we will tailor to address your skin's needs. Expect contoured features and glowing skin whether you're getting party ready or in recovery from the night before.

THE CLASSIC TREATMENT

30MIN/£50

This treatment leads to deep relaxation and leaves you with a feeling of complete well-being, of lightness and inner balance. A treatment utilising vegan and cruelty free products to relax you, leaving your skin hydrated and vitalised.
